Subject: British Radio Equipment Manufacturers Association Request of FBIS.

1. The request by the British Radio Equipment Manufacturers Association to FBIS to be placed on the FBIS mailing list to receive the monthly unclassified publication "Short Wave Broadcasting Stations of the World According to Frequency" has been referred to the Military Information Control Sub-Committee of SWNCC, which raises no objection.

2. ICAPS has no objection provided the Association is charged for the publication in the same manner and amount domestic business firms are so charged.
